

STREAMLINING DISBURSEMENT ACCOUNT MANAGEMENT

ONECAPE DA STREAMLINES YOUR PORT CALL
OPERATIONS BY MANAGING AND OPTIMISING
YOUR DISBURSEMENT ACCOUNTS
ACROSS THE GLOBE

Our approach is impartial and combines precision, insight and transparency to streamline DA management and ensure you only pay what is necessary. With a global network and a profound understanding of the maritime industry, OneCape DA provides a dedicated service that manages and anticipates potential challenges, ensuring smooth and timely disbursements across all your voyages.

Key features

Accurate, audited DAs:

Deep audits using advanced checks, historical data, and market insights ensure you only pay what you should, giving you peace of mind and quantifiable savings.

Global maritime expertise:

Trust Inchcape's decades of global expertise and access a comprehensive DA solution that goes beyond disbursement account management. If issues arise in port, our network of dedicated professionals are there to do something about it.

Real-time financial insights:

Access crucial financial data instantly to manage cash flow and disbursement proactively, enabling faster and more informed business decisions.

Secure digital integration:

Seamlessly integrate OneCape DA with your existing voyage management systems and other financial platforms, enhancing data accuracy, increasing transparency and reducing manual processes.

Payment compliance:

OneCape DA is SOX compliant and enforces stringent payment practices in managing your transactions, including sanction checks, credit and KYC.
